### OIPP Leadership Team Update

Denise provided a Leadership Team update.

- The OIPP will sponsor two trainings for the entire membership the Advocacy Boot Camp lead by Diane Pickles and the Power Prism Model as well as an evidence based and injury prevention one day training presented by Andrea Gielen & Carolyn Cumpsty Fowler from Johns Hopkins School of Public Health.
- A reminder was issued that in a few months we will be renewing yearly membership for OIPP and requesting the membership take a few minutes to complete the survey so the roster can be up to date and current.
- Denise also informed the group the Champion and Promising Practices Awards will be given this year so to begin to think about champions or promising practices occurring within the priority areas.

### VIPP Annual Review

Christy Beeghly provided key highlights from the Violence and Injury Prevention Program (VIPPP) during 2014:

**Staffing** –Pam Rudolph was hired as a human services program consultant and will be the coordinator for OIPP. Still working to fill the Injury Policy Specialist (Cameron's position).

**Infant Safe Sleep-** ODH just released the Infant Safe Sleep (ISS) campaign and it was developed this year with a team lead by Sara Morman who will present later today. Christy publically thanked Sara for all of her hard work and commended her on a job well done.

**Naloxone**-Three new sites funded to provide Naloxone through Project Dawn. Providing technical assistance as purchase of medication and clinical work is not permitted. Assisting in improving individuals having access.

**STEADI-Toolkit**- Seeking to have a health care provider organization assist in promoting the STEADI Toolkit and provide data from implementation

The VIPP priorities are similar to the OIPP:

### **Action Group Updates**

#### **Infrastructure-Level Groups**

**Data Action Group** – Mbabazi Kariisa reported that the DAG meeting was held in March 2014 and they had two presentations one from the Central Ohio Trauma System and a review of the VDRS data. They plan to meet June 19<sup>th</sup> at OCOSH from 1 to 2:30 pm and will have a presentation from be Alan Wedd on OIBRS and Sara Lowe for the YRBS.

**Evidence Based IP** – Judy Hirshfeld provided the update. The group is working toward clearly defining its' scope and purpose. Will be utilizing fact sheet template for Teen Driving and Older Adult Falls. In order to meet 2014 goals working on a one day training with John Hopkins. EBIPAG will have a speaker from Nationwide Children's Hospital at the next meeting. Judy highlighted the WEBINAR: A Quick Look at the Online Guide to Evidence-Based Prevention which will take place on June 11, 2014.

**IP Policy and Advocacy** – Donna Dickman advised the group that the Advocacy Day at the Statehouse was April 14th. The group has encouraged those participating to make an appointment to visit their own senators first and then join the group to help distribute the policy guides. The group will be sharing the ***Preventing Injuries in Ohio A Resource for Policy Makers (2013-2014 edition)*** with all the policy makers they are able. The action group will discuss what three webinars to provide for the membership at large and will also be planning the Advocacy Boot Camp.

#### **Priority Injury Action Groups Annual Reports**

- **Prescription Drug Abuse Action Group** –Nicole Schiesler provided the following update: There was a press release in April stating a 12% decline in unintentional prescription drug overdose from 2011 to 2012. On March 11th the Governor signed House Bill 170 to expand the use of Naloxone. House Bill 363 introduced this will grant immunity to those who seek or obtain medical assistance for self or another person who is experiencing a medical emergency as a result of ingesting drugs or alcohol or for a person who is experiencing such a medical emergency and for whom medical assistance is sought. The FDA is also approved a drug called Evzio which is an equivalent of an "epi-pen" for overdose prevention an antidote auto-injector. Working on obtaining access to the April 25th Webinar on "Naloxone Distribution from the ED for patients at-risk for Opioid Overdose." PDAAG will have a speaker today from Project Dawn. Eight new members were added to the action group. Becky Wilkins, Associate Director of Rardin Family Practice, OSU Wexner Medical Center, has information about a link to a toolkit which can be used by primary care physicians and practices to educate their patients about the potentially deadly consequences of prescription drug abuse. This toolkit was developed in conjunction with Dr. Kenneth Hale and pharmacy students at the OSU College of Pharmacy. Becky Wilkins, Associate Director of Rardin Family Practice, OSU Wexner Medical Center, sent this link to a toolkit that can be used by primary care physicians and practices to educate their patients about the potentially deadly consequences of prescription drug abuse. <http://pharmacy.osu.edu/outreach/patients-toolkit>. Upcoming conferences June 30 to July 2014 Opiate Conference in Columbus, August 5-7, 2014 Generation RX at OSU. Prescription Drug Take Back Tool Kit available on website. SBIRT has some funding available for grants.

- **Child Injury Action Group** – Amanda Kelley updated the group on the CIAG’s projects. She has held conference calls with various priority areas in the CIAG concerning direction and activities. A planning meeting was also held to discuss the Statewide Symposium for the CIAG. In subsequent calls the CIAG will partner with EBIPAG to conduct a statewide training on evidence based practices. The CIAG will take responsibility for the Ohio panel to present at the conference. The CIAG will also begin to work an independent contractor for an evaluation of the coalition. After coalition evaluation the CIAG should be better prepared to begin work on the Strategic Plan which is good with 2016. Some of the committees in CIAG need some assistance with direction and Diane Pickles from M&R will be assisting them with their efforts with 4 coaching sessions and webinars. Infant Safe Sleep will be presented at the main OIPP meeting. Looking for ways with EPOTA to promote the Child Restraint Laws. Three members have joined the CIAG. The mini-grants have been submitted and reviewed. A conference call will be held next week to determine what projects will be funded. Hoping to fund 5 or 6 mini-grants.
- **Ohio Older Adults Falls Prevention Coalition**- Brenda Rock updated on the Falls Coalition. The Coalition has updated and completed the State Plan and revised to include the following four goals Promotion, Infrastructure, Monitoring Trends, and Policy. The coalition is attempting to work toward finding an avenue to have a sustainable Tai Chi plan for the state. Perhaps beginning to partner with the YMCA. The Arthritis Foundation will be offering training for Tai Chi coaches July 19th and 20th the cost is \$245.00. Also the Department of Aging is offering a Matter of Balance Train the Trainer course in June and it is full. The RFP for the mini grants is completed and distributed and will be due in the middle of June. At the meeting today last year’s mini grant recipients will discuss their grant projects. Kathryn Hayes will also speak to the group about her Public Service Announcement on Fall Prevention.

#### **Advisory Groups**

- **Membership and Outreach** – Christy provided the following update: Judi Mosley is in the midst of updating the presentation about OIPP and it will be available for the membership at large to use.

#### **Member Highlight / Presentation**

Sara Morman, Child Injury Prevention Coordinator with the Ohio Department of Health presented on “Infant Safe Sleep From Development to Implementation. She shared how they worked with a contractor to assist in assessing the focus groups in 12 sites. They identified the barriers while planning the campaign and how to address them. The marketing plan was developed and the Public Service Announcement (PSA) was launched in April. They have also partnered with Cribs for Kids to distribute survival kits which include a pack-n-play, a sleep sack, ODH safe sleep brochures, and a story book modeling safe sleep. The PowerPoint is available upon request. For more information on Infant Safe Sleep and the PSA please visit [www.SafeSleep.Ohio.gov](http://www.SafeSleep.Ohio.gov)

#### **Data Highlight**

Mbabazi Kariisa from the VIPP provided an overview Presentation on the 2012 Drug Overdose Data. Presentation is available upon request. For information on the most recently released Drug Overdose Data please visit <http://www.healthy.ohio.gov/vipp/data/rxdata.aspx>
