

## *The Ohio Attorney General's State Sexual Assault Response Training Team (SARTT)*

The primary focus of the SARTT is to continue expanding the capacity of SARTs throughout Ohio by promoting health and healing of sexual assault victims, hold sex offenders accountable for their crimes, and preventing further sexual violence in Ohio's communities.

The SARTT is made up of multi-disciplinary sexual assault experts. The team provides local trainings on national best practices and the Ohio Community Sexual Assault Protocol.
