

Nationwide

Nationwide Insurance and Financial Services has a longstanding commitment to the health and safety of its associates. Nationwide was the first company in Ohio to be awarded the Well Workplace award by the Wellness Councils of America for outstanding wellness programming. In addition, Nationwide has been awarded the Hera award for outstanding maternal and infant health programs. Programs are tailored to meet the needs of its 30,000 home office and field associates. These include:

- A 24,000-square-foot state-of-the-art wellness center
- Associate health risk appraisal screenings
- Maternal, infant health, and lactation programs
- Foreign travel immunizations and health advisories
- Disability case management
- Transitional work programs
- Employee assistance program

W.G. Jurgensen, CEO

At Nationwide we believe that good health is at the heart of good business.
