

Community and High Need RFP Questions and Answers

Question	Answer
Would the grant allow us to provide cessation classes for individuals and businesses?	No. The primary focus is on prevention.
Would educational presentations in schools be allowed under this grant?	No, at least not in the first budget period. See the RFP for required objectives.
Can we apply for both prevention and high need portions of the grant?	Applicants must pick either High Need or prevention, however, If you apply for the High Need portion of the grant you may do activities listed in the prevention section. Remember that you must have statewide reach for the high need population chosen for the application. If you chose the prevention section, you cannot apply for the high need section as well. The total grant award will be \$50,000 total.
