Online Independent Study Opportunities for Nurses Working in Schools

The Ohio Department of Health offers online continuing nursing education independent study opportunities for licensed nurses. All of the courses are provided free of charge and provide nursing contact hours. We are constantly adding to the list as the webcasts in the series Public Health Nurses: Successful Partnerships with Ohio Schools and other offerings are converted to online independent study courses.

Registration for all of these courses is through OhioTRAIN at <https://oh.train.org>. If you do not have an OhioTRAIN account, please go to the website and follow the instructions to create one. Keep your username and password for future reference.

Once you are logged in to your account, put the course number listed below in the Search box and follow the instructions to take the course. If you are from a state other than Ohio, please go to <http://train.org> and create your account

Please see the following page for current course listings.

The Ohio Department of Health is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Planning committee and faculty members have declared no conflict of interest that would interfere with providing this educational activity.
