H. Hysterectomy	0	0	0	0	0	0	0	0	0	0
I. Other/Unknown	0	0	0	0	0	0	0	0	0	0
J. Medical/Nonsurgical	0	0	0	0	0	0	0	3	3	3

Source: Confidential Abortion Reports. Numbers are comparable to Table 10b, but not Table 10a and 11 because these tables are based on Post-Abortion Care Reports for Complications. Complications from the two data sources cannot be summed. Complications reported on "Post-Abortion Care Report for Complications" form may not be included in the table.
