

MEMORANDUM

To: Interested Parties

From: Shancie Jenkins, Chief, Bureau of Maternal and Child Health

Subject: Five Year Rule Review of Ohio Administrative Code Rules 3701-67-01 to 3701-67-08 (“Child Fatality Review”)

Date: April 1, 2016

In accordance with Ohio Revised Code Section 119.032, ODH is conducting the five year rule review of Ohio Administrative Code rules 3701-67-01 to 3701-67-08 (“Child Fatality Review”). The Child Fatality Review rules can be accessed via the ODH web page at <http://www.odh.ohio.gov>. Click on Rules; then click on Draft Rules; and then Chapter 3701-67.

The Child Fatality Review rules establish the format for the annual reports, guidelines for compiling statistics and procedures for child fatality review boards to follow in conducting reviews of child deaths.

ODH is recommending rules 3701-67-01, 3701-67-02 and 3701-67-05 through 3701-67-08 be continued without changes. Amendments are recommended to rules 3701-67-03 and 3701-67-04 to correct two typographical errors.

No business impact form is posted with these rules because it was determined that the rules cause no negative business impact. The Common Sense Initiative Office (CSIO) looked at the rules and concurred.

Please review the recommendations for rules 3701-67-01 through 3701-67-08, and provide any comments to ODH at ODHrules@odh.ohio.gov by May 1, 2016. Comments may also be sent via U.S. Mail to:
